

When Do We Pray?

In unity, in prayer with God, we can change a nation!

Praying always with all prayer and supplication in the Spirit, (Eph. 6:18)

WHEN DO WE PRAY?

- In the morning. If you can, make a regular time in the morning to pray. *Satisfy me in the morning with your unfailing love. (Ps.90:14)*
- Find a day of the week to pray with one or two others as well. Pray in unity and agreement for the same things. You can do it on the phone or over coffee or even on a prayer walk. The accountability is essential to our health and healing.
- When we are with others, with relatives or even visiting a friend's house.
- Ask them if you can pray for them, our communities and nation. Be the blessing of God on them through it.

- Be the initiator! There is power in united prayer!
- When you are ill, when you are well.
- When we want to be near God.
- When we have a concern.
- There are blessings in prayer, and rewards that God promises from it!
- When there is an issue in the communities and nation that needs prayer.
- When we need to sense the Presence and peace of God.
- When we want to be blessed.

We are to pray always for all kinds of things in all prayer and supplication. (Eph. 6:18)

One example of prayer:

Lord, we praise You for who You are and ask that You reveal Your will to us. Open the eyes of our understanding and love us with a deep love that we may shine your love to others in

*United in prayer, we can change a nation!
God answers!*

our communities. Turn the hearts of the children in the nation, to You. Bring salvation to the lost and an outpouring of Your Spirit upon the nation.

Is anything too small or too big for God? No. God's word says to pray "for all things". Nothing is impossible with God. If it concerns us, we can take it to God. As a Father cares for His children so the Lord cares for you!

You have not because you do not ask God. James 4:2b

Pray these requests for your communities, families, state and nation, that God's will is done and that we see change!

Can you imagine a thousand people praying for the same thing consistently in your regions?

Will you join us?

Take 1/2 an hour a day to pray.

To Love God First: that people in our communities, state and nation will rise up in righteousness and turn away from sin.

Unity of faith in Christ: that we will use our gifts in the body and shine like the sun to unbelievers, to draw them to Christ. That God will protect us and break strongholds.

Leaders: of the nation to be convicted of sin, righteousness and guilt and for this country to be turned upside down for the glory of God.

Salvation of unbelievers: that God will do whatever it takes to bring the lost to a saving knowledge of Christ.

Pour Out His Spirit on us: that God will change our hearts and lives with His Presence and that we will be open to the ways He reveals Himself to us.

Ministry: that we as believers will use our gifts effectively & willingly, and be led by the Spirit.
